

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

An Act for the Regulation of Her Majesty's Royal Marine Forces while on shore. [7th April 1865.]

‘ WHEREAS it is judged necessary for the Safety of the United Kingdom, and the Defence of the Possessions of this Realm, that a Body of Royal Marine Forces should be employed in Her Majesty's Fleet and Naval Service, under the Direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the Office of Lord High Admiral aforesaid: And whereas the said Forces may frequently be quartered or be on shore, or sent to do Duty or be on board Transport Ships or Merchant Ships or Vessels, or Ships or Vessels of Her Majesty, or other Ships or Vessels, or they may be under other Circumstances in which they will not be subject to the Laws relating to the Government of Her Majesty's Forces by Sea: And whereas no Man can be forejudged of Life or Limb, or subjected in Time of Peace to any Kind of Punishment within this Realm, by Martial Law, or in any other Manner than by the Judgment of his Peers, and according to the known and established Laws of this Realm; yet nevertheless it being requisite for the retaining of such Forces in their Duty that an exact Discipline be observed, and that Marines who shall mutiny or stir up Sedition, or shall desert Her Majesty's Service, or be guilty of any other Crime or Offence in breach of or to the Prejudice of good Order and Discipline, be brought to a more exemplary and speedy Punishment than the usual Forms of the Law will allow:’ Be it therefore enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows:

Power to Lord High Admiral, &c. to make Articles for the Punishment of Mutiny, Desertion, &c.

## C A P. XXVIII.

An Act to authorize certain Payments out of the Land Revenues of the Crown to provide Compensation for certain Claims in the *Isle of Man*.

[26th May 1865.]

WHEREAS an Act of Tynwald was passed and promulgated by the Legislature of the *Isle of Man*, entitled "The *Isle of Man* Disafforesting Act, 1860," and by such Act certain Commissioners were to be appointed for carrying the same into execution, and by

the Fifth Section of such Act such Commissioners were directed to ascertain, subject to the Proviso in that Section contained, the Boundaries of the Lands in the *Isle of Man* uninclosed or which ought to be uninclosed, which Lands so intended to be ascertained were therein-after called the uninclosed Forest, and to determine all Claims relating to such Boundaries, which Boundaries, as ascertained by the said Commissioners, it was enacted should be conclusively deemed to be the true Boundaries of the uninclosed Forest for all the Purposes of that Act, provided that it should not be lawful for the said Commissioners to include within the said Boundaries any Part of the Shore of the Sea, or of any Creek, Bay, or Inlet thereof, so far as the Tide flowed at ordinary Spring Tides; and by the Sixth Section of the same Act the Commissioners were empowered, subject as in the said Act is mentioned, to sell any Part of the uninclosed Forest to defray Expenses; and by the Eighth Section of the same Act the said Commissioners were directed to receive Evidence as to the Nature and Value of the Rights of Her Majesty in the uninclosed Forest (other than the Rights in the same Section specified), and to allot to Her Majesty such Part of the uninclosed Forest, subject as in the said Act mentioned, as the said Commissioners should deem to be a sufficient and adequate Compensation for the said Rights of Her Majesty; and by the said Act it was enacted that the Part of the uninclosed Forest to be so allotted to Her Majesty should, on the making of the First Award in the said Act mentioned, remain or be absolutely vested in Her Majesty in right of Her Crown, as Part of the Possessions and Land Revenues of the Crown, freed from all Rights and Claims whatsoever, and that the Residue of the uninclosed Forest, in the said Act called the Commoners Allotment (after making the Sales and Allotments in the said Act mentioned), should, on making the First Award, and subject as in the said Act mentioned, be held by Her Majesty (until the same might be inclosed under the Second Award in the said Act mentioned) in trust for the several Persons for the Time being entitled to Rights of Common over the uninclosed Forest; and by the Fourteenth Section of the same Act it was provided, that, until the First Award had been made, any Memorandum in Writing under the Hands of the Commissioners of that Act, or any Two of them, should be sufficient Evidence of any Decision of such Commissioners; and by the said Act, after the making of the First Award, the Commissioner, in the said Act called the Third Commissioner, was directed to ascertain, by the Award, in the said Act called the Second Award, the several Persons entitled to Rights of Common over the uninclosed Forest, and to divide and allot the Commoners Allotment among such Persons, to set out Turbaries, Roads, Ways, and Fences, and to sell Land for Payment of Expenses: And whereas another Act of Tynwald was passed and promulgated in the last Year, entitled "An Act for making Compensation for certain Claims in regard to certain Lands affected by the *Isle of Man* Disafforesting Act, 1860," whereby, after reciting the last mentioned Act, and that *George Wingrove Cooke*, *Nathan Wetherell* (the Third Commissioner), and *James Henry Patteson*, Esquires, Barristers-at-Law, the Commissioners appointed to carry the said first-recited Act into execution, by a Memorandum in Writing dated the Twenty-fourth Day of *August* One thousand eight hundred and sixty-one, under their Hands, after reciting that they had ascertained the Boundaries of the Lands in the said Forest uninclosed or which ought to be uninclosed, did thereby make their Declaration of the Boundaries of the uninclosed Forest in manner therein mentioned; and the said Commissioners further declared that it was their Intention that their Declaration should be construed with reference to certain Plans or Maps thereunto annexed, and that in case of any Doubt or Ambiguity arising from any Statement in that Declaration the Boundary Line indicated on the said Plans or Maps was on all Occasions to be deemed to afford conclusive Evidence as to the Direction of the true Boundary Line of the said uninclosed Forest; and further reciting that the said Commissioners had taken divers Proceedings under the first-recited Act, but that they had not made their First Award pursuant thereto; and further reciting that certain Claims were made before the said Commissioners to Portions of the uninclosed Forest as defined by the first-recited Act, and by the said Declaration of Boundaries, upon the alleged Grounds that Licences granted by or on behalf of the Lord for the Time being of the *Isle of Man* were in existence authorizing the Inclosure of the Lands therein and in the said Claims described, under which Licences the Claimants were entered

entered as Tenants on the Lord's Books, and had regularly paid Rent to the Lord or Lady of the Isle for the Time being, and some of the said Claims were disallowed by the said Commissioners, and that it was reasonable that such Compensation in respect of certain of the said Claims so disallowed, and of such other Claims as might thereafter be made and allowed, should be made as was by that Act provided; it is by the Act of Tynwald now in recital enacted, that the Provisions of the same shall be carried into execution by the Third Commissioner for the Time being under "The Isle of Man Disafforesting Act, 1860;" and it is further enacted that out of the Monies therein-after mentioned, and called the Compensation Fund, the Third Commissioner shall be paid such a Sum, not exceeding Two hundred Pounds, as the Inclosure Commissioners for *England* and *Wales* shall think reasonable, by way of Remuneration for carrying the Act now in recital into execution; and that the Commissioner shall also, out of the same Fund, pay or retain all Costs and Expenses of employing any Land Surveyor and Valuer, and all other reasonable Expenses to be incurred by the Third Commissioner in the Performance of his Duties under the same Act, subject to the Allowance by the Inclosure Commissioners for *England* and *Wales* of all Sums to be paid or retained out of the Compensation Fund; and after making certain other Provisions, including Provisions for giving Notice for Claims to be sent in, and for hearing Claims and Objections thereto, it is enacted that the Third Commissioner shall not allow a Claim to Compensation in any of the following Cases; that is to say, 1. Unless the Claim was made before the Commissioners under "The Isle of Man Disafforesting Act, 1860," and was disallowed by them on the Ground that the Terms of the Fifth Section of such Act precluded them from entertaining the same; 2. Or, in case where no Claim was made before the Commissioners, unless the Claimant was precluded or deemed himself to be precluded from making such Claim by reason of any Decision of the Commissioners to the Effect mentioned in the First Part of that Section; 3. Unless there is a Licence in existence, or sufficient Proof of a Licence having been granted, and not cancelled or disallowed by the Great Inquest, for the Inclosure of the Land in respect of which the Claim is made, and unless the Claimant or Person through whom he claims has been entered as the Tenant thereof in the Lords Books, and has paid Rent for the said Land to the Lord; 4. Unless the Boundaries of the Land in respect of which the Claim is made can be identified with the Description in the Licence, to the Satisfaction of the Third Commissioner; and, 5. Where any other Land than that in respect of which the Claim is made has been already inclosed under the Licence or Licences upon which the Claim is founded; and it is further enacted that the Decisions of the Third Commissioner upon all Claims to Compensation, and all other Matters referred to him under the Act now in recital, shall be final and conclusive; and it is further enacted that the Third Commissioner shall ascertain and decide what, at the Time of the Promulgation of "The Isle of Man Disafforesting Act, 1860," was the fair and reasonable marketable Value of the respective Interests of the several Persons whose Claims to Compensation may be established under the Act now in recital in the Lands referred to in their respective Claims, as such Lands and Interests then existed, and shall pay the Amount of the Value of each Claim to the Claimant, or to any Person legally entitled under him, out of the Compensation Fund, and shall apply the Balance, if any, of such Fund in manner following, that is to say, One Moiety thereof shall be paid to the Commissioners of Her Majesty's Woods, Forests, and Land Revenues, and the other Moiety shall be applied by the Third Commissioner as Part of the Second Award Fund mentioned in the recited Act; and in case it shall happen that the Compensation Fund, after Payment of the Remuneration, Costs, and Expenses by the Act now in recital directed to be defrayed thereout is not sufficient to satisfy the aggregate Value of the Claims to Compensation allowed under such Act, such Fund, after such Payments thereout as aforesaid, shall be apportioned and be divided by the Third Commissioner between and among the Claimants whose Claims are allowed by him according to the Value of their respective Claims, and such apportioned Parts shall be paid accordingly; and it is further enacted that, in order to provide the Fund in the Act now in recital called the Compensation Fund, to defray the Remuneration, Costs, and Expenses by such Act directed to be paid or retained thereout, and to answer such Claims as may be established before the Third Commissioner, there shall, subject as in the same Act mentioned, be raised such Sums,

not

‘ not exceeding in the whole the Sum of Five thousand Pounds, as may be necessary for the  
 ‘ Purposes aforesaid ; and it is further enacted that the Compensation Fund shall be raised  
 ‘ in the Manner following, that is to say, One Moiety thereof shall, if the Parliament of the  
 ‘ United Kingdom of *Great Britain and Ireland* shall so direct, be paid to the Third Commis-  
 ‘ sioner by the Commissioners of Her Majesty’s Woods, Forests, and Land Revenues out of  
 ‘ the Capital of Her Majesty’s Land Revenue, and the other Moiety shall be raised and paid  
 ‘ to the Third Commissioner by the Sale by the said Commissioner, in manner by that Act  
 ‘ provided, of a Part of the Land which in the first-recited Act is described as the Com-  
 ‘ moners Allotment : Provided always, that no larger Sum than Two thousand five hundred  
 ‘ Pounds in the whole shall be paid to the Compensation Fund by the Commissioners of  
 ‘ Her Majesty’s Woods, Forests, and Land Revenues, and that no larger Sum than Two  
 ‘ thousand five hundred Pounds in the whole shall be paid to the Compensation Fund by  
 ‘ the Third Commissioner, out of the Proceeds of Sale of Part or Parts of the said Commons  
 ‘ Allotment ; and that if, in order to raise the Moiety of the Compensation Fund to be raised  
 ‘ out of the Proceeds of Sale of Part or Parts of such Allotment, any Sale or Sales shall  
 ‘ take place which shall realize a net Sum exceeding in the whole Two thousand five hundred  
 ‘ Pounds, the Amount of such Excess shall be applied by the Third Commissioner as Part  
 ‘ of the Second Award Fund, under the Provisions of the said first-recited Act ; and that  
 ‘ the said Commissioner shall return to the Lieutenant-Governor, for the Information of  
 ‘ the Public, an Account of all Monies which may have been received by him from the Sale  
 ‘ of Lands under the Authority of the same Act, and of the Mode in which the same shall  
 ‘ have been disbursed and applied ; and the said Act of Tynwald now in recital contains  
 ‘ Provisions relative to the Sale of Part of the Commoners Allotment to raise One Moiety  
 ‘ of the Compensation Fund for making of the Award of the Third Commissioner, and for  
 ‘ saving of Rights under the first-recited Act : And whereas it is expedient that the Com-  
 ‘ missioners of Her Majesty’s Woods, Forests, and Land Revenues should, with the Consent  
 ‘ of the Commissioners of Her Majesty’s Treasury, be authorized to pay, out of the Capital  
 ‘ of Her Majesty’s Land Revenue, such Sum or Sums of Money, not exceeding in the whole  
 ‘ the Sum of Two thousand five hundred Pounds, as may be necessary to provide One  
 ‘ Moiety of the Compensation Fund mentioned in the second-recited Act of Tynwald :’ Be  
 it therefore enacted by the Queen’s most Excellent Majesty, by and with the Advice and  
 Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament  
 assembled, and by the Authority of the same, as follows ; that is to say,

Commissioners  
 of Woods, with  
 Consent of  
 Treasury, may  
 make certain  
 Payments out  
 of Land  
 Revenue to  
 meet Claims in  
 second-recited  
 Act of Tyn-  
 wald.

1. The Commissioners of Her Majesty’s Woods, Forests, and Land Revenues may, with  
 the previous Consent of the Commissioners of Her Majesty’s Treasury, pay out of the Capital  
 of Her Majesty’s Land Revenue such Sums, not exceeding in the whole the Sum of Two  
 thousand five hundred Pounds, as may be necessary to provide One Moiety of the Compens-  
 ation Fund mentioned in the second-recited Act of Tynwald ; and a Statement of every or  
 any Payment so made, and of the Mode in which the same has been applied, shall be  
 contained in the annual Report to Parliament which shall be first made by the Com-  
 missioners of Her Majesty’s Woods, Forests, and Land Revenues after such Payment  
 takes place.

proved less than  
the Average of

3. stable included  
in Provisions  
of 22 & 23  
Vict. c. 32.

4. 'Whereas Doubts are entertained whether the Provisions of "The Police Act, 1859," relating to a Superannuation Fund for Constables belonging to a Police Force in Boroughs, apply to a Chief or Head Constable of the Police Force in such Boroughs, by reason, amongst other things, that the said Act requires in certain Cases the Certificate or Recommendation of the Chief or Head Constable before an Allowance can be made or a Gratuity given out of the said Fund to a Constable or his Widow: And whereas it is expedient to remove the said Doubts: Be it enacted, That the Chief or Head Constable of the Police Force established in any Borough in which the Superannuation Fund is subject to the Regulations of the Police Act, 1859, shall, from and after the Date of the passing of this Act, be deemed to be a Constable of the said Police Force for all Purposes relating to and within the Meaning of this Act and all other Acts regulating such Superannuation Fund; provided, first, that in the Case of the said Chief or Head Constable, or his Widow, a Resolution of the Watch Committee to the Effect of the Certificate or Recommendation required to be given by the Chief or Head Constable under "The Police Act, 1859," shall be deemed to be equivalent to such Certificate or Recommendation; secondly, that the Period of Service during which any Chief or Head Constable, either as such or as an inferior Member of the Force, may have been subjected to Deductions from his Pay towards such Borough Police Superannuation Fund as aforesaid shall, in determining what Allowance or Gratuity is to be made to him, be reckoned and allowed to such Chief or Head Constable; thirdly, that One Half only of the Period of Service (if any) during which such Chief or Head Constable, either as such or as an inferior Member of the Force, has been subjected to no such Deduction as aforesaid from his Pay towards such Superannuation Fund as aforesaid shall be reckoned and allowed to such Chief or Head Constable in determining what Allowance or Gratuity is to be made to him; fourthly, that where such Chief or Head Constable has been promoted from another Police Force, whether County or Borough, to the Borough Force out of the Fund of which he claims Superannuation, in such a Case, if he has served not less than Seven Years either as Chief, Head, or other Constable in such other Force, his Service in such other Force to the Extent of One Half thereof shall be deemed, for the Purposes of Superannuation, to be Service in the latter Force, and be reckoned accordingly, subject to the Conditions on which Service in the latter Force may be reckoned under this Section; and subject also to the Qualification that if at the Time when he was promoted from the other Force he was under the Rank of Chief or Head Constable, no Part of his Service in such other Force shall

shall be reckoned unless his Promotion took place on the Recommendation of the Chief or Head Constable of the Force from which he was promoted.

5. Nothing in this Act contained shall be construed to entitle absolutely any Chief or Head Constable or other Constable, or his Widow, to any Superannuation or Retiring Allowance or Gratuity, or to prevent any such Constable being dismissed without such Allowance or Gratuity: Provided also, that nothing in this Act contained shall diminish or prejudice the Allowances or Rights of any Chief or Head Constable or other Constable given or reserved by the Fifteenth Section of "The Police Act, 1859."

Nothing to prevent Dismissals without Retiring Allowances. Proviso.

6. 'Whereas the County of *Lincoln* is divided into Three Divisions, called respectively the Parts of *Lindsey*, the Parts of *Kesteven*, and the Parts of *Holland*, and each of the said Divisions has a separate Commission of the Peace: And whereas by the Twenty-second Section of the said "Police Act, 1859," it is enacted, that after the passing of that Act the Superannuation Fund of the said County shall be One common Account so long as the Police Force for the said County of *Lincoln* shall be under the Direction of One Chief Constable for the Three Divisions, but if the said Force shall thereafter be separated under different Chief Constables, in that Case it shall be lawful to divide the said Superannuation Fund in proportion to the Number of Men for each Division of the said County of *Lincoln* at that Time serving in the said Force, the said Superannuation Fund to be under the Management of the joint Committee for the Three Divisions, and invested by them from Time to Time: And whereas notwithstanding the said Enactment the said Three Divisions are considered as separate Counties, so far as respects the Service of the Police therein, and any Constable of the *Lincolnshire* Police Force, if removed from one of the said Divisions to the other, is not, for the Purpose of Superannuation, entitled to reckon the Time during which he has served as Constable in the Division from which he is removed: And whereas it is expedient to amend the Law so far as relates to the Service of Constables of the said Force: Be it enacted, That so long as the Police Force of the County of *Lincoln* continues under the Superintendence of the same Chief Constable, the said Three Divisions of the said County shall, for the Purpose of the Superannuation of the Members of that Force, be taken to be One County, and any Police Constable who may be or has been promoted or removed from one of the said Divisions to another shall, for the Purposes of Superannuation, be entitled to reckon as Service the whole Time he has served in any of the said Divisions; and this Section shall take effect in all respects as if it had been passed at the same Time at which the said "Police Act, 1859," was passed.

Parts of Lincolnshire to be One County for Purposes of Service in Police so long as County continues under One Chief Constable.

7. 'Whereas no Provisions are contained in the said "Police Act, 1859," as to the Mode of appointing the joint Committee mentioned in the said Twenty-second Section: Be it enacted, That the said joint Committee shall consist of Twenty-eight Magistrates, to be appointed from Time to Time by the Courts of Quarter Sessions of the Peace of the said Three Divisions respectively, when and so often as the said Courts of Quarter Sessions think fit, in the Proportions following; that is to say, Fourteen Magistrates for the Parts of *Lindsey*, Eight Magistrates for the Parts of *Kesteven*, and Six Magistrates for the Parts of *Holland*; and Three Members of such joint Committee shall constitute a Quorum, and be competent to act; and it shall be lawful for the said joint Committee from Time to Time to make, and afterwards to alter, such Regulations for their Proceedings, and for the Investment, Management, and Administration of the said joint Fund, and for the granting and Payment of Pensions and Gratuities thereout, as to them may seem just and reasonable; which Regulations, as also any Alteration thereof, when approved by the respective Quarter Sessions of the Peace of the said Three Parts or Divisions, shall be binding and conclusive upon all Parties.

Appointment of joint Committee.

If the Court of Quarter Sessions for any One or more of the said Divisions at any Time neglect or refuse to appoint Magistrates to act upon the said joint Committee, the Magistrates appointed by the Court or Courts of Quarter Sessions of the other or others of the said Divisions shall be fully competent to act as such Committee.

8. If at any Time hereafter the Police Force for the County of *Lincoln* ceases to be under the Direction of One Chief Constable for the Three Divisions of that County, the Common Superannuation Fund shall be divided amongst the Three Divisions of the County in proportion

proportion to the Number of Police serving in each Division, but notwithstanding such Apportionment any Pension that may have been granted out of the said Fund shall continue to be paid to the Persons to whom the same may have been granted, and shall be apportioned and charged upon the Superannuation Fund of such of the said Divisions as the said joint Committee may by Writing signed by the Chairman of the said Committee direct, provided that such Appointment is confirmed by the Justices of the Peace of the said Three Divisions respectively in Quarter Sessions assembled.

Any such Apportionment as aforesaid, when confirmed and approved in manner aforesaid, shall be filed amongst the Records of the Quarter Sessions of the said Three Divisions respectively.

' Whereas the Watchmen acting under an Act of Parliament passed in the Sixth Year of the Reign of His late Majesty King *George* the Fourth, intituled *An Act for the better regulating, paving, improving, and managing the Town of Brighthelmston in the County of Sussex, and the Poor thereof*, contributed from their weekly Wages to form a Fund in the Nature of a Police Superannuation Fund: And whereas at the Time of the Incorporation by Charter of the said Town, under the Title of the Borough of *Brighton*, the Watchmen then in Office were appointed Constables of the Police Force of the said Borough: And whereas by the Twenty-third Section of "The Police Act, 1859," the said Superannuation Fund was transferred to the Treasurer of the Borough to be held as Part of the Police Superannuation Fund of the said Borough, but no Provision was made in the Case of such of the said Watchmen as had become Constables for reckoning their Services as Watchmen in determining the Amount of Superannuation Allowance to be granted to them as Constables: Be it enacted, That where a Constable of the said Borough of *Brighton* has also been a Watchman acting under the said Act of the Sixth Year of King *George* the Fourth, the Period of Service as a Watchman, during which he was subject to Deductions from his Pay towards the said Superannuation Fund so transferred as aforesaid to the Treasurer of the said Borough, shall, in determining what Superannuation Allowance may be granted to him, be added to the Period of Service during which he may have served as a Constable in the said Police Force.

County. [2d June 1865.]

‘ **WHEREAS**, although there is only One Commission of the Peace for the whole  
‘ County of *Sussex*, the County has for Convenience been long treated as divided for  
‘ the Purposes of the Transaction of the public Business of the County and the Adminis-

In the Matter of Kilmastulla Drainage District in the County of Tipperary.

Now, therefore, in pursuance of the power given to us by the said Act, we the Commissioners of Public Works in Ireland, do by this Provisional Order under our common seal constitute the area in the said petition and report, and the boundaries and extent of which are set forth within yellow lines on the map to which we have caused our common seal to be attached, (and which map is deposited in the office of Public Works in Ireland,) a separate drainage district by the name of the Kilmastulla drainage district, and we do declare that the lands to be purchased for the proposed works in such district (subject to such alterations and deviations therefrom as we the said Commissioners may hereafter sanction) are the lands in that behalf shown and set forth in the said map and the schedule thereto annexed marked with the letter B. and also sealed with our common seal.

That the first meeting of the said Board shall be summoned by notice under the hands of any two or more of the said board, published in the Dublin Gazette and some newspaper generally circulated in the said district, at least fourteen days next before the day of meeting.

That the qualification of any subsequent member of the said Board shall be, that he shall be the proprietor (as defined by the said Acts and the Acts referred to therein or incorporated therewith) of not less than twenty acres of land situate within the area of the said district, or the land agent for the time being of a person being a proprietor as aforesaid of not less than one hundred acres of land situate within the area of said district and acting as receiver of the rents and profits of such lands.

(2.) The Commissioners from time to time appointed after the Commissioners nominated in the said Feu Charter go out of office shall respectively hold office from the first Tuesday in the month of May in the year of their appointment to the end of the day next preceding the first Tuesday in the month of May in the next following year.

(3.) At meetings of the Commissioners at which the permanent Commissioner is not present the Commissioners present shall elect a Chairman before proceeding to business, and every such Chairman shall have a second or casting vote in case of an equality of votes.

(4.) Any rules or regulations framed by the Commissioners (in pursuance of the first and tenth clauses of the said Feu Charter) for the general management of the piers, quays, harbour works, and harbour vested in them, shall be deemed to be byelaws within the meaning of this Order and of any Act incorporated therewith.

3. The foreshore or shore and sea and bed of the bay on the east side thereof, whereon a patent slip has been erected by the said Sir James Matheson for the accommodation of shipping, and a portion of the foreshore or shore on each side of the said slip and of the sea and sea bed seawards thereof sufficient for the due and efficient working and use of the said slip, shall be excepted from and shall be held not to be included in the said harbour, and no vessels using the said slip shall in respect of such use be subject or liable to pay any rates under this Order.

(2.) The extension by this Order of the limits of the said harbour for rating purposes beyond the foreshores or shores which have been heretofore expressly conveyed to the Commissioners, or which may hereafter under this Order be acquired by them, shall in no respect give them authority or power, except with the consent of the said Sir James Matheson, or of the Superior of the burgh of Stornoway for the time, to appropriate the foreshores or shores of the bay of Stornoway heretofore

heretofore not conveyed to them, or any part thereof, or confer upon them any rights to, over, or upon the same; neither shall the definition hereby of the limits within which this Order shall take effect in any respect derogate from any right possessed by the said Sir James Matheson or by his successors, as proprietors of the barony of the Lews, including the burgh of barony of Stornoway, and of the foreshores or shores of the bay of Stornoway, from appropriating and using the same in such a manner as by law was competent for him to do before this Order was made.

#### The FIRST SCHEDULE to which the foregoing Order refers.

KNOW ALL MEN by these presents, that I, Sir James Matheson, of Achany and the Lews, Baronet, Member of Parliament for the combined counties of Ross and Cromarty, heritable proprietor of the barony of the Lews, including the burgh of barony of Stornoway and of the shores of the bay of Stornoway:

Considering that whereas there is a pier or quay at Stornoway, called the Old Pier or Big Quay, belonging to me, which was in or about the year eighteen hundred and seventeen rebuilt by subscription, and that the feuars of Stornoway are desirous to have an influential voice in the management of the said Old Pier or Big Quay, and in the application of the dues collected thereat:

And whereas I am willing, not only to meet their wishes in these respects, by having the property and management of the said Old Pier or Big Quay effectually vested in a commission, to be to a large extent chosen by the municipal authorities of the burgh of Stornoway, or the feuars or parliamentary electors within the said burgh, in the way and manner after mentioned, which has been approved by a committee of the said feuars, but  
also,

also, and to the satisfaction and with the approval of the said committee, further, with the view of and for the purpose of conferring on the said commission the means of improving and extending the harbour accommodation generally, to vest in the said commission, in addition to the said Old Pier or Big Quay, a portion of ground and shore at the east side of the said Old Pier or Big Quay and contiguous thereto, and also a large portion of ground and shore contiguous to the south side of the said Old Pier or Big Quay, and extending southward therefrom to and including the Old Castle, Steamers Quay, booking office, and storehouse:

Therefore and in consideration of the feu duties for the ground, and of the annual sum, herein-after termed an additional feu duty, as restricted interest on a sum of eight hundred and fifty pounds sterling, or thereby, expended by me on the Steamers Quay and others herein-after conveyed, and which last-mentioned annual sum of additional feu duty is to be redeemable as after declared at sixteen and two thirds of a year's purchase—

WIT YE ME to have sold, alienated, and in feu farm disposed, as I by these presents sell, alienate, and in feu farm dispose, from me, my heirs and successors, to and in favour (First) of myself and of Donald Munro, my chamberlain (as chamberlain, but while and so long as he holds that office only, and who shall only be competent to act as a commissioner in my absence), (Second) to and in favour of Kenneth Smith, feuar and merchant, Norman McIver, feuar and shipowner, and John Morrison, feuar and merchant, all residing in Stornoway, three commissioners elected by the commissioners in Stornoway acting under the General Police and Improvement (Scotland) Act, eighteen hundred and sixty-two, (Third) to and in favour of Donald Mackenzie and Daniel McAlister, both feuars and shipowners in Stornoway, two commissioners nominated and appointed by me, and (Fourth) to and in favour of Kenneth Mackenzie, householder and bank agent, residing in Stornoway, the commissioner appointed by the Sheriff of the county under the power to that effect conferred by me (with concurrence of the said committee) upon him, being the seven persons who are to constitute for the current year the commission for managing the piers, quays, and harbour of Stornoway as after mentioned, and to be hereafter called "The Stornoway Pier and Harbour Commission," and to my successors, Superiors of the said burgh for the time, and to the chamberlain or factor of the Superior for the time (but only to act in absence of the Superior), and to the successors of the said several other persons before named to be appointed or to become members of said commission hereafter, and to the said Stornoway Pier and Harbour Commission itself, with perpetual succession, so soon as the said commission shall be incorporated:

All the said three subjects lying within the town, burgh, and parish of Stornoway, barony of the Lews and county of Ross; declaring that the said three subjects above disposed are so disposed, and that the foresaid descriptions thereof respectively are to be read and construed with reference to the delineation thereof shown by the double line in red ink on the plan of that part of Stornoway before mentioned hereto subjoined and signed by me as relative hereto, and no otherwise, with all right possessed by me to embank and appropriate the same for harbour purposes, and to levy and exact harbour dues and rates at the said piers and quays, and at all other piers and quays formed or to be formed, and to become vested in the said Stornoway Pier and Harbour Commission, in virtue of these presents, or of the powers to acquire further therein contained, with all my right, title, and interest thereto and therein, present and future, direct and contingent; excepting and reserving always for the purpose of being used for proper access, and roadways or streets to be kept up, and maintained and managed as such in the same way as other roads and streets within Burgh, the spaces specially described in the fourth condition of these presents herein-after written; and further reserving to me and to Thomas Reid, feuar in Stornoway, and to our respective successors after written, special right of access as in said condition expressed; as also excepting always from the said subjects all mines of gold and silver in terms of the exception in my crown grant of the Barony of the Lews; and hereby expressly declaring that the several subjects above described are disposed for the purposes, and with the powers, and under and subject to the whole conditions, provisions, declarations, and obligations herein-after written, all and every one whereof my disponees before named forming the present Stornoway Pier and Harbour Commission by acceptance hereof, for themselves and their successors, forming the Stornoway Pier and Harbour Commission for the time, and the Stornoway Pier and Harbour Commission itself in all time to come, shall, by acceptance hereof, be expressly held as a Commission to have adopted, and become bound as a Commission

mission to fulfil in every particular, and which purposes, conditions, powers, provisions, declarations, and obligations are as follows:—

First.—The said subjects shall be held by my said disponees as the persons constituting for the current year a commission or board to be called “The Stornoway Pier and Harbour Commission,” as after provided, and by their successors appointed as after mentioned forming the Stornoway Pier and Harbour Commission for the time, for the purposes of managing the said piers, quays, and harbour now existing, and all extensions or enlargements that may be made by them on the subjects hereby conveyed, or any other piers and quays that they may acquire in virtue of the powers herein-after conferred, and for the purposes of improving and extending the accommodation for trading, shipping, and fisheries, and with power to levy such dues thereat as they may legally be entitled or may be authorized to exact, and with power to appoint committees of their own number, and to appoint clerks, collectors, harbour masters, pier keepers, and all other officers necessary for the proper management of the said piers, quays, and harbour, and to make and enforce all such rules and regulations for the management of said piers, quays, and harbour, and the use thereof, as they may be legally entitled, or may be authorized to make and enforce, and with full power, if they so think fit, to take all steps under the existing or any future General Pier and Harbour Acts for enabling them to take the advantage thereof in all respects, and with power, if they find it necessary, to apply for a special Act of Parliament for the better management and improvement of the said piers, quays, and harbour; provided always, that in the latter event the said Act shall be applied for with my consent, or with the consent of the Superior for the time, and that such special Act shall be carried through by my agent, or the agent of the Superior for the time, all parties interested getting an opportunity of being heard for their interests in the usual manner; and generally with power to do all and whatsoever I could have legally done had I not granted these presents, except in so far as their powers are qualified or limited by the terms hereof.

Second.—The parties before named, other than myself and my chamberlain, shall hold office until the first Tuesday of the month of May eighteen hundred and sixty-five, that is, they shall cease to hold office at the end of the first Monday of May, and their successors appointed in their place shall enter on office upon the first Tuesday of May eighteen hundred and sixty-five, and in like manner the Commissioners named and appointed in their place shall hold office for one year from the said first Tuesday of the month of May in the year of their appointment to the end of the first Monday in the same month in the following year, and so forth in all time to come, that is, the said six Commissioners to be appointed annually shall hold office for one year and no longer, it being nevertheless hereby declared that any or all of such Commissioners may be annually re-elected or re-appointed as often as the parties entitled to elect them may think fit.

Third.—The said Commission shall in all time to come consist and be composed of seven acting members, videlicet:—

(First.) Of the Superior of the burgh of Stornoway and his chamberlain for the time, the one in the absence of the other, declaring that the Superior for the time and his chamberlain shall be permanent Commissioners, but the one only to be capable of acting in the absence of the other; and the Superior of Stornoway, or his chamberlain for the time, shall, when present, be chairman of the Commission, with an original or individual and also, in case of an equality of votes, with a casting vote.

(Second.) Of three Commissioners to be annually chosen at some time during the month of April by the Commissioners in Stornoway, acting under the General Police and Improvement (Scotland) Act eighteen hundred and sixty-two, or other general or local Act under which municipal elections shall from time to time fall to be made, and shall be made from among the said Municipal Commissioners themselves, the three members to be chosen being always feuars within said burgh, and each of them owners of property therein of ten pounds or upwards of annual value (as evidenced by the valuation roll of the

county or for the district of the Lews for the time), and resident in or near Stornoway; and in case there shall not at any time exist such statutory Commissioners for municipal purposes, then the said three members of the Stornoway Pier and Harbour Commission shall be chosen by the persons within the burgh of Stornoway entitled to vote in the election of members of Parliament (as evidenced by the roll of parliamentary electors for the time), such three Commissioners so elected being always feuars, and each of them owners of property within the burgh of Stornoway of the annual value of ten pounds or upwards (to be evidenced as aforesaid), and resident in or near Stornoway, and this at a meeting of the parliamentary electors within the burgh of Stornoway to be called by the Chairman of the Stornoway Pier and Harbour Commission, or in his absence by any three members of said Commission, by a printed or written notice to be posted in at least six public places in the town of Stornoway fourteen days previous to the day of election, or on such notice as may be prescribed by any byelaws or rules to be framed by the Stornoway Pier and Harbour Commission for regulating the calling of such meetings with the view to the election of members, full power to make such byelaws and regulations being hereby specially conferred on the said Commission.

(Third.) Of two Commissioners to be annually nominated on or before the first Monday of the month of May by me or the Superior of Stornoway for the time from among the resident feuars within the burgh each being an owner of property therein of the annual value of ten pounds or upwards (to be evidenced as aforesaid) or qualified to vote in the election for members of Parliament (to be evidenced as aforesaid).

(Fourth.) Of one Commissioner to be annually nominated by the sheriff of the county for the time from among the feuars, owners of property within the said burgh of the annual value of ten pounds or upwards (to be evidenced as aforesaid), or from among persons within the said burgh qualified to vote for members of Parliament (to be evidenced as aforesaid), or from among the householders of the said burgh occupying houses of the value of ten pounds or upwards (to be evidenced as aforesaid).

Fourth.—The said Stornoway Pier and Harbour Commission shall be bound, in case the site of the Old Castle included in the subjects third above disposed shall be built over, but if I or my foresaids so require only, to denote the central part of said Old Castle as now existing by preserving a proper and marked portion of the same, or in my option by a proper pillar or designating mark being placed so as to denote the site of such central part, and, subject to the approval of me and my successors, the said site may be further denoted by a flagstaff or signal post placed on the portion preserved, or on the pillar or designating mark substituted therefor; and the said Stornoway Pier and Harbour Commission shall be bound to leave at all times between the portion of the Old Pier or Big Quay above disposed to be occupied for proper pier or quay purposes or for curing ground and the houses or buildings belonging to me *ex adverso* a sufficient space of not less than twenty-five feet for the free and convenient access of the public and others requiring and using such access; and when the proposed extension of pier or quay and new steamers quay is formed there shall be at all times left by the said Stornoway Pier and Harbour Commission between the portion of such extended pier or quay to be used for proper pier or quay purposes, or for curing purposes or curing ground, and the houses and yards presently belonging to me and the said Thomas Reid *ex adverso* of said extended pier or quay, a free space next adjacent to the said houses on the west of not less than twenty-five feet in breadth, measuring from the north-west corner of the house and stores belonging to me next adjoining the aforesaid Old Pier or Big Quay to the south-west corner of the property belonging to the said Thomas Reid, and from this last-mentioned south-west corner of Thomas Reid's property a free space of not less than twenty-five feet to the west of the same straight line prolonged southwards to the point marked B. on said plan in a line with the front or south wall of the property belonging to me called Tolmies store and yard, and forty feet distant from the south-west corner of said property, all for the purpose of affording free and convenient

access

access and roadway or street for the use of the public and others to and from the piers and quays erected and to be erected as aforesaid; declaring that the right to use the said spaces for roadways or streets is hereby reserved as fully and completely as if the solum thereof had not, with reference to the better carrying out of the objects of these presents, been conveyed by me to the said Harbour Commission, and that the said spaces are not to be held, either as regards surface or solum, any part of the subjects for which feu duty is payable by the said Harbour and Pier Commission; reserving always to me and the said Thomas Reid and our respective successors, and our and their tenants occupying the aforesaid houses and yards ex adverso of the said extended pier or quay, a free space and convenient access to and from the said houses and yards, and the sea front of said extended pier or quay, but without prejudice to the said Stornoway Pier and Harbour Commission to exact and levy from me and the said Thomas Reid and our respective successors, and our and their tenants in the said houses and yards using the said pier erected or to be erected on the said vacant or lately vacant space to the east of the Old Pier or Big Quay, the said Old Pier or Big Quay and the Steamers Quay, and also the piers or quays to be formed ex adverso on the west of their said properties in Esplanade Row, when but not until such last-mentioned piers or quays are formed, such dues for the use thereof as they may legally exact and levy from others using the same.

Fifth.—It is hereby provided and declared that the said Stornoway Pier and Harbour Commission shall not, and, by acceptance of these presents, they bind and oblige themselves that they shall not, erect or form upon the piers or quays hereby disposed, or on the piers or quays to be formed on the portions of ground and shores hereby disposed, or on the piers or quays to be afterwards acquired or to be formed on ground to be afterwards acquired by the said Commission, any sheds, storehouses, or other erections whatever, whether of a temporary or permanent nature, and whether of stone or of brick, iron, or wood or other material, nor to project any stages, gangways, or platforms from said piers or quays into the sea in any direction, except with the express consent in writing of me or the Superior for the time, and subject to such conditions as to removal or otherwise as I or the Superior for the time may see fit to impose in the event of our giving such consents as conditions thereof: And it is hereby further provided, and the said Stornoway Pier and Harbour Commission, by acceptance hereof, expressly consent and agree, that in case the said Commission shall, in breach of their aforesaid undertaking, make erections of any sort on the piers or quays hereby disposed, or those to be formed by them on the ground or shore hereby ceded, or piers or quays to be afterwards acquired or to be formed on ground to be afterwards acquired, or shall project stages, gangways, or platforms therefrom into the sea, without the written consent of me or of the Superior for the time, or in case of any failure on their part to observe or fulfil any conditions subject to which consent to make erections may have been given by me or the Superior for the time, then and in any of these cases it shall be lawful to me or the Superior for the time, at our own hands and without any proceeding at law or judicial warrant, to remove all such erections, whether the same be of a permanent or temporary character, and whether of wood or any more enduring material, and all stages, gangways, or platforms projected from the said piers or quays into the sea; and the said Stornoway Pier and Harbour Commission, by acceptance hereof, oblige themselves to pay to me or to the Superior for the time the costs incurred by us in obtaining the removal of all erections made by them without written consent, or maintained contrary to the conditions on which such consent may have been given, including the cost of any judicial proceedings that may be resorted to by me or the Superior for the time in order to obtain such removal should we see fit, ob majorem cautelam, to adopt such.

Sixth.—When the proposed extension and improvement at the Steamers Pier and Old Castle are effected, the said Stornoway Pier and Harbour Commission shall, as soon thereafter as they conveniently can, remove the present storehouse at the Steamers Quay, and shall thereupon be bound to erect a new storehouse in a position suited to the altered circumstances of the quay; and the position, character, and elevation of such new store or warehouse to be erected as aforesaid shall always be subject to my approval or to the approval of the Superior for the time. And there shall be reserved and set apart, for the free use of myself and the Superior for the time, in the storehouse or warehouse to be erected instead of the existing storehouse at the Steamers Quay, an apartment of not less than

than twenty feet in length and twelve feet in breadth, of which I and the Superior for the time shall have exclusive possession, and be entitled to keep at all times locked, and in the meantime I retain right to take the free use of the existing storehouse in so far as necessary for my proper accommodation.

Seventh.—Providing and declaring as it is hereby provided and declared that these presents are granted with and under the burden of the current agreement between the Messrs. Hutcheson & Co., Glasgow, and me (which the Stornoway Pier and Harbour Commission shall be bound to recognize and give effect to), by which they are secured the use, as for one year from the term of Whitsunday eighteen hundred and sixty-three, of the said store at the Steamers Quay, and a preferable right to the use and accommodation of that quay for their steam-boats, and the loading and unloading with all proper use of the adjuncts and free access thereto; as also the said Stornoway Pier and Harbour Commission become bound by acceptance thereof that aye and until proper and better accommodation for steam-boat traffic is substituted for the present, and capable of being used in place thereof, the Messrs. Hutcheson shall have a preferable right to be afforded the accommodation they presently enjoy upon fair and reasonable terms, and in case of difference of opinion the payments to be made by them for such interim accommodation being to be determined by me.

Eighth.—In the event of failure in any year of me or of the Superior for the time, or of the Municipal Commissioners or parliamentary electors, or of the Sheriff, to nominate Commissioners or a Commissioner, or in the event of any member of the said Stornoway Pier and Harbour Commission dying, resigning, or becoming disqualified, or incapable of acting, or refusing to act, the other members of the said Commission shall have power to name one or more Commissioners to fill such vacancies for the year; and three members of the said Commission shall be a quorum, and the acts of such quorum shall always be valid and effectual.

Ninth.—The Stornoway Pier and Harbour Commission shall meet annually on the first Tuesday of May, and shall have power to adjourn their meetings from time to time as they may think fit, due notice of such adjournments being always given by the clerk to all members not present at the meetings at which the adjournments are made; and the Superior or chamberlain as chairman shall be entitled to call a meeting of the Commissioners whenever they may deem it necessary, and shall at all times be bound, on a requisition to that effect signed by two members of the Commission, to convene meetings of the Commission; and in case of the refusal of the chairman to call a meeting when so required, or in case of the absence from the island of the Superior and chamberlain, a meeting may be called by any three members of the Commission on a notice of fourteen days, such notice always setting forth the object of and business requiring to be transacted at such meeting.

Tenth.—At the first meeting, or at any subsequent meeting or meetings as may be found convenient, the said Commission shall frame rules and regulations for the conduct of the business of the Commission and general management of the piers, quays, harbour works, and harbour vested in them, in so far consistent with the several Pier and Harbour Statutes; and in case of any difference of opinion in regard thereto, the same shall be referred to two law agents in Edinburgh, the one to be named by the Superior, and the other to be named by members differing in the opinion from him.

Eleventh.—The said Stornoway Pier and Harbour Commission shall keep a full and distinct register of their proceedings, and distinct accounts of all revenue received by them for and in respect of the use of the piers, quays, harbours, warehouses, and grounds hereby transferred to them, or which may be hereafter acquired by them, and for and in respect of any erections to be hereafter made by them on the ground and shore above conveyed, and of any erections and any ground hereafter acquired by them as in extension of pier and harbour accommodation, and to that end, and without prejudice to the general power before given to them, and obligation by these presents placed on them, to appoint all officers necessary for properly carrying out the objects of the Commission; the said Stornoway Pier and Harbour Commission shall be bound at their first meeting, or, if then not convenient, at a meeting to be held not later than three months thereafter, to appoint a competent person to be clerk, and the same or other competent person may be treasurer and collector to the Commission with suitable remuneration; and it is hereby (without prejudice

prejudice to the power of the said Commission to confer on the said officials other duties and more exactly to define their duties) declared that it shall be the duty of the clerk to attend all meetings of Commission and of committees of Commission, and to take and frame proper minutes of the proceedings at such meetings, and, if required, to frame reports of committees, and, when the same have been confirmed, to engross them in a register to be kept of the minutes and proceedings of the Commission, as also to record in the said register all other writings necessary or calculated fully and distinctly to show and preserve evidence of the whole actings and transactions of the Commission; and it shall be the duty of the clerk to conduct the correspondence of the Commission, and duly to file and preserve all letters received on the business of the Commission, and duly to record in letter books to be kept for that purpose all letters written by him on the business of the Commission, alike those written under the direct authority of the Commissioners as letters written by him in the ordinary conduct of its business, and which letter books shall for ease of reference be duly indexed by the clerk; and it shall be the duty of the treasurer to keep an exact account of all sums in the shape of revenue received by him on behalf of the Commission, and to pay the whole thereof from time to time into a bank account to be kept in the name of the Commission to be termed "Revenue Account," and to be operated upon by cheques signed by the chairman and treasurer under authority therefor to be given by the Commission, and an exact account of all payments made by him on behalf of the Commission, and as out of the revenue bank account, and which payments shall not be made by him out of revenue directly received, but from money to be from time to time specially drawn from the said bank account by the Commission, and placed in his hands for the purpose of such payments; and the treasurer shall in like manner keep an account of all moneys received by him as from loans or otherwise towards the extension and improvement of the pier, quay, and harbour accommodation, which shall be paid wholly into a separate bank account, to be kept in name of the Commission, to be termed "Improvement Account," and to be operated upon as in the case of the other account, and he shall keep a distinct account of all payments made by him out of said moneys to be drawn and placed in his hands for that purpose, and the treasurer shall at the first meeting of Commission that may be held not sooner than one month after the term of Martinmas yearly, make and exhibit to the Commission a distinct account of revenue or income and expenditure thereout for the year terminating at such term, and showing the sources from which the various items of revenue are derived, and the several objects to which the expenditure thereout has been applied, and the excess of the one over the other, and in like manner he shall at the same time make out and exhibit along with the said account of revenue another account of loans (if any such have been received), showing the amounts and from whence derived, and the several objects for which any payments thereout have been made, and which several accounts the Commission shall themselves or by others examine, and on being satisfied that the same are in all respects correctly stated and duly vouched, they shall docket the same as accurate and approved, and they shall be engrossed by the clerk in the register of proceedings before directed to be kept by the clerk to the commission as aforesaid; declaring however hereby that although separate bank accounts as for revenue and as for loans for improvements are to be kept, yet it is not therefore meant that the said Commission shall not have full power to apply money derived from revenue to the improvement and extension of the pier, quay, and harbour accommodation, but the said Commission shall on the contrary have full power to draw out of the revenue account and pay into the improvement account, to be employed towards improvements and extension of the pier, quay, and harbour accommodation, such sums as from time to time the said Commission may think right, and to apply the same accordingly.

Twelfth.—The Stornoway Pier and Harbour Commission shall, in so far as not already done, immediately fill up and form into a pier or quay, according to a plan to be approved by them or by the provisional committee after mentioned, the vacant or lately vacant space or piece of shore ground between the Old Pier or Big Quay and the pier opposite to, the eastern portion of the feu on the south side of North Beach Street that belonged to the late Daniel Lewis Mackenzie, being the piece of shore ground first above conveyed, the cost of such operations being, in so far as not falling to be borne by others, defrayed out of the fund after mentioned.

Thirteenth.

Thirteenth.—The Stornoway Pier and Harbour Commission shall, with as little delay as may be, take the necessary steps under the several Pier and Harbour Statutes, or otherwise in their discretion, for incorporating the said Commission, and for obtaining power to enable them to levy such dues and rates as may be necessary for executing such works as may be deemed expedient, and generally to obtain themselves as an incorporated body, vested with such powers as may be proper to enable them to improve and extend the pier, quay, and harbour accommodation at Stornoway, by obtaining the consent of the Board of Trade or other competent authority to extend the same seaward over the shore between the Old Pier or Big Quay and the Old Castle, including therein the present pier called the Steamers Pier with the view and for the purpose and to the effect of providing enlarged space for the accommodation of shipping, traders, fish curers, and fishermen, and also proper and permanent pier, quay, and harbour accommodation for steam vessels, and also for raising funds for the purposes agreed on by means of loans from the Public Works Commissioners, or otherwise, hereby declaring that I or the Superior for the time shall be bound, upon the said Commission becoming incorporated, to grant all or any deeds deemed necessary for fully and completely vesting the Commission as a corporation in the subjects hereby disposed, but in conformity always with these presents and my rights under the same.

Fourteenth.—Providing and declaring, as it is hereby expressly provided and declared, that in case the said Stornoway Pier and Harbour Commission shall not have raised or at least secured the obtaining of the funds (not less than two thousand five hundred pounds sterling) necessary to enable them to provide better accommodation within the space of three years from their first meeting, then and in that case the subjects first and third above conveyed shall (in my option to be declared in a writing to be addressed to the said Commission, and delivered at the usual place of meeting of the said Commission to the said Commission or to their clerk,) revert to me and my heirs and successors, and shall, from the expiry of that period, cease to belong to the Stornoway Pier and Harbour Commission, and this present deed, in so far as regards the subjects first and third above conveyed, and all relative conditions, shall become void, and the said Stornoway Pier and Harbour Commission shall be bound to grant to me a reconveyance of the said subjects, and a discharge of all claims any way competent to them in relation thereto under these presents, and I shall be entitled, failing their so doing, to pursue declarators of extinction of rights, denuding, &c., or other apt action before the Court of Session, in which it shall be sufficient to call the persons appointed members of said Stornoway Pier and Harbour Commission last before the date of raising said action for establishing my right to the said subjects, and denuding the said Commission thereof, with conclusions for having the said subjects disburdened of all claim at the instance of the said Stornoway Pier and Harbour Commission, and for the recording of the decree to be pronounced in the register of sasines as for my reinvestiture in the said subjects and for publication in case I or the Superior for the time may prefer that course to compelling the said Commission by action to reconvey; and such decree, when recorded in the register of sasines, shall have all the effect of a recorded conveyance of the subjects first and third above disposed, and form a complete reinvestiture of the Superior therein, and a full discharge thereof from all and every claim at the instance of the said Commissioners, who shall, from the date of any reconveyance by them or decree obtained by the Superior under this provision, be freed and relieved of the feu duties of fifteen shillings and ten pounds and additional feu duty of thirty pounds hereby stipulated to be paid for the said subjects first and third above disposed respectively; excepting always any arrears for former years and the proportions for the period between the date of reconveyance or the decree and the term of Whitsunday preceding, all which shall remain entire to the Superior, and capable of exaction by him from the said Commission.

Fifteenth.—The amount of rents and dues formerly collected at and for the Old Pier or Big Quay, presently deposited in the National Bank of Scotland at Stornoway, and amounting, as at twenty-third February eighteen hundred and sixty-three, to the sum of two hundred and fifty-nine pounds nine shillings and fivepence, besides interest at the rates allowed by the bank from the first day of November eighteen hundred and sixty-two, with the bank interest that shall have since accrued thereon, shall be transferred to the name of the

the Stornoway Pier and Harbour Commission, and shall be at their disposal for the objects of the Commission, and the bank account therefor shall be operated on by cheques signed by the Superior or chamberlain as chairman of the Commission, and by the person appointed and acting as clerk or treasurer of said Commission under and in terms of authority by the said Commission from time to time given to sign such cheques; and the sum now in bank as aforesaid shall be primarily applied to defraying the costs on both sides of taking out of court an action of declarator, at my instance presently pending in the Court of Session, against the said Kenneth Smith and certain other parties at Stornoway, and extracting the decree therein, and the costs on both sides of these presents, and of recording the same, and thereby or otherwise duly vesting my disponees in the said subjects; and in the second place in defraying the cost of filling up the vacant or lately vacant space or piece of shore ground between the Old Pier or Big Quay and the pier opposite to the eastern portion of the feu on the south side of North Beach Street that belonged to the late Daniel Lewis Mackenzie under the obligation to do so above placed on my disponees.

Sixteenth.—To facilitate the raising of the funds that may be necessary for the improvement and extension of the piers, quays, and harbour, I hereby agree that, if requisite, I will postpone the sum of thirty pounds of additional feu duty in respect of the subjects third above disposed, being the proportion of additional feu duty fixed upon as a yearly return as in place of restricted interest on the outlay made by me on the subject third above disposed, to the payment of the annual sum which it may become necessary for the Commission to pay in respect of the money to be borrowed by them for such improvement and extension; it being, however, hereby stipulated that in case the revenue of the piers, quays, and harbour shall be insufficient to meet the cost of management, the ground feu duties of fifteen shillings, three pounds, and ten pounds, the annual payment to the Public Works Loan Commissioners or other parties advancing money for the improvement or extension of the piers, quays, and harbour on the security thereof, and the said sum of thirty pounds of additional feu duty, then the last-mentioned sum of thirty pounds of additional feu duty shall only be postponed until funds become available for its payment, when it shall be paid with interest.

Seventeenth.—In respect that it was not found convenient to form the said Stornoway Pier and Harbour Commission by the execution of these presents at an earlier period: And whereas the said Kenneth Smith, Norman Mac Iver, John Morrison, and the said Donald Munro, my chamberlain, have been acting as a provisional committee with the view of filling up the vacant or lately vacant space or piece of shore ground between the Old Pier or Big Quay and the pier opposite to the eastern portion of the feu on the south side of North Beach Street that belonged to the late Daniel Lewis Mackenzie, regulating the portions of the same and of the said Old Pier or Big Quay to be let for herring curing purposes, appointing a harbour master, and otherwise performing certain of the duties hereby devolved upon the Stornoway Pier and Harbour Commission, the said Commission shall adopt, recognise, and give effect in all respects to the actings of the said provisional committee, and shall relieve the said committee of all outlays made and obligations undertaken by them in their actings as a provisional committee on their duly accounting for all sums received by them for and in respect of the said Old Pier or Big Quay or other of the subjects above disposed and dues leviable thereat.

Eighteenth.—The whole foregoing purposes, powers, conditions, provisions, declarations, and obligations with this eighteenth provision itself, and the tenendas and reddendo clauses after written, with the clause allowing partial redemption of the said additional feu duty of thirty pounds in place of restricted interest on outlay (unless such redemption has been made or until it be fully made), shall be made real burdens on the subjects above conveyed respectively by the recording of these presents or of a notarial instrument containing the said purposes, powers, conditions, provisions, declarations, obligations, and clauses in the General or Particular Register of Sasines within three months from the date hereof, and the said purposes, powers, conditions, provisions, declarations, obligations, and clauses shall be repeated or competently referred to in all future deeds transmitting or vesting the said subjects all under the pain of nullity in case of the non due recording of these presents, or of a notarial instrument in the requisite form, and containing as aforesaid, or of the

omission from future deeds of transmission or investiture of the said purposes, powers, conditions, provisions, declarations, obligations, and clauses or competent and equivalent references thereto; but declaring, as it is hereby specially provided and declared, that any alteration on or addition to the conditions and provisions herein contained which may be made by the Board of Trade or other competent authority under the application to be made for power and authority to such Commission, or that may be made by Parliament, shall be held to be part and parcel of these presents, and shall control and limit or extend, as the case may be, the terms and conditions hereof, and the rights hereby granted or intended to be granted, in the same way as if such alterations and additions had been herein engrossed, without prejudice to and always reserving entire my rights as Superior, and payments due to me under these presents as such Superior.

With entry to the said subjects as at the term of Whitsunday 1864; To BE HOLDEN the said several subjects above disposed by the said present members of the Stornoway Pier and Harbour Commission above named, and their successors forming the said Commission for the time, and by the said Stornoway Pier and Harbour Commission itself, of and under me and my successors as Superiors of the same, in feu farm, fee, and heritage for ever.

GIVING therefor yearly the said Stornoway Pier and Harbour Commission to me and my aforesaid as follows; videlicet,—for the subjects first above disposed the sum of 15*s.* sterling of feu duty, for the subjects second above disposed the sum of 3*l.* sterling of feu duty, and for the subjects third above disposed the sum of ten pounds sterling of feu duty as for the ground thereof, and the farther sum of 30*l.* sterling of additional feu duty as in the place of restricted interest on the sum of 850*l.* sterling or thereby expended by me upon the said subject third above disposed (redeemable the said additional feu duty of thirty pounds as after mentioned), beginning the first payment of said feu duties of 15*s.*, 3*l.*, and 10*l.*, and the said additional feu duty of thirty pounds, at the term of Whitsunday 1865 as for the year preceding, and so forth at Whitsunday yearly in all time thereafter, with interest at the rate of 5 per cent. per annum of each year's feu duty from the time the same falls due till payment, and doubling the said sums of 15*s.*, 3*l.*, and 10*l.* every twenty-fifth year as a composition in place of entry; hereby specially declaring that the security for the said several sums of feu duty, amounting in all to 43*l.* 15*s.* sterling, (including therein the annual return or additional feu duty of 30*l.* as in place of restricted interest on outlay redeemable as after mentioned,) shall equally extend over all the three subjects above conveyed; and I and the Superior for the time shall be entitled to proceed against all or any of the said subjects for the recovery of the whole feu duties and additional feu duty stipulated for as aforesaid, and to enter into possession thereof, and of the rents and dues leviable therefrom, just and sicklike as if the said three subjects had been disposed as one, and as if the said several feu duties and additional feu duty had been stated as a cumulo feu duty payable for the said several subjects as one; but declaring also that in the right to the said subjects first and third above disposed reverting to me or the Superior for the time under and in terms of the fourteenth condition of these presents, then and in that case the feu duties of 15*s.*, 10*l.*, and the said additional feu duty of 30*l.* if the said last-mentioned feu duty shall be then unredeemed, or to the extent to which it shall be then unredeemed, shall cease and determine, as in said condition stipulated; but providing and declaring, as it is hereby expressly provided and declared, that it shall be in the power and option of the said Stornoway Pier and Harbour Commission to redeem the said additional feu duty of thirty pounds stipulated for, as in place of restricted interest on outlay at 16 years and two thirds of a year's purchase of the same, that is to say, to redeem the whole annual payment of 30*l.* by payments at any term of Whitsunday of a sum of 500*l.*, or to redeem the same gradually by payments at any term of Whitsunday of not less than a sum of one hundred pounds at a time, in which case for each one hundred pounds paid to me or my successors as in redemption of said feu duty of 30*l.* one fifth thereof or 6*l.* yearly shall be extinguished, and on payment of the said sum of 500*l.* I shall be bound to grant and record, but at the expense of the Stornoway Pier and Harbour Commission only, a discharge and renunciation of the said sum of 30*l.* of additional feu duty, and on payment of each sum of 100*l.* I shall be bound to grant and record, but at the expense of the said Stornoway Pier and Harbour Commission only, a discharge and renunciation of six pounds or one fifth of said feu duty of 30*l.* sterling.

And

And I assign the writs, but to the effect only of maintaining and defending the above-named members of the Stornoway Pier and Harbour Commission, and their successors, forming the said Stornoway Pier and Harbour Commission, and the said Stornoway Pier and Harbour Commission itself, in the right of the lands, and others hereby disposed, and for that purpose I oblige myself and my foresaids to make the same forthcoming to the said Stornoway Pier and Harbour Commission at their expense on all necessary occasions on a receipt and obligation to re-deliver the same within a reasonable time and under a suitable penalty; and I assign the rents, dues, and rates proper to the subjects hereby disposed; and I oblige myself to free and relieve the said Stornoway Pier and Harbour Commission of all feu duties, casualties, and public burdens due at and previous to entry; and I grant warrandice of the said subjects, and of the rents and dues leviabie therefrom; but as regards the shore to the extent only to which I have right to use the same under my grant thereof from the Crown or otherwise, and as regards the rents and dues to the extent only to which I have right to exact and levy the same; and I consent to registration hereof for preservation, and also to registration in the General or Particular Register of Sasines as for investiture and publication.

In witness whereof I have subscribed these presents written on this and the twenty-nine preceding pages of stamped vellum by Thomas Gilbert, Clerk to Messrs. certify Land  
to be charge-

Debentures.

4. It shall be lawful for the Owner of any recorded Land to apply to the Court to have such Land declared chargeable with Debentures under this Act. Thereupon the Court shall investigate the Title to the Land, and its existing State and Circumstances. If upon such Investigation it appear proper to grant the Application, as to the whole or any Part of the Land, the Court shall certify to that Effect, and shall cause an Entry of such Certificate to be made in its Books, in such Form as it may deem fit.

Owner of  
Land may  
issue Deben-  
tures with  
Sanction of  
Court.

5. After the Entry of such Certificate it shall be lawful for the Owner of the Land described therein, at any Time and from Time to Time, to issue Debentures under this Act pursuant to such Certificate, on satisfying the Court that no just Rights of other Parties which have accrued since the Date of the Certificate will be injuriously affected thereby. The Sanction of the Court to the Issue of any Debenture shall be signified in such Manner as the Court may by any General Order authorize for that Purpose.

Form and  
Effect of De-  
benture.

6. A Debenture, when issued under the Sanction of the Court, shall be well charged upon the Land described in the Certificate under which it is issued.

All Debentures shall be in such Form as the Court may approve of; for such Sums of Money, bearing Interest at such Rate or Rates, or not bearing Interest, and payable or redeemable at such Time or Times, not being less than Six Months nor more than Ten Years from the Date of the Certificate, as to the Court may seem fit.

Debentures on  
unincumbered  
Land.

9. In the Case of unincumbered Land no Debenture shall be charged for such a Principal Sum as, either solely or together with the Amount of the Principal Sum or Sums charged on the same Land by virtue of any other Debenture or Debentures, shall be more than Ten Times the Sum which may appear to the Court to be the yearly Value of such Land, not exceeding, in any Case, the Value fixed by the Public Valuation of Lands in *Ireland*, having regard, amongst other Matters, to any Lease then affecting the same; nor shall there be reserved by any Debenture upon such unincumbered Land Interest of such annual Amount as, either solely or together with the annual Interest reserved and charged by

by any other Debenture or Debentures upon the same Land, shall exceed One Half of what may appear to the Court to be its yearly Value as aforesaid.

10. If the Charge proposed to be created by Debenture is to be puisne or subject to any other Incumbrance the Court shall have regard thereto, and shall estimate such other Incumbrance at its full Value; and shall so limit the Debentures which it may think fit to issue, that their Amount shall be as amply secured as Debentures would be if charged on unincumbered Land to an Amount not exceeding Ten Times the yearly Value thereof.

Debentures on  
incumbered  
Land.

11. Debentures upon any Land shall be puisne and subject to the several Incumbrances specified or referred to in the Certificate; also to Quit or Crown Rents, to Rentcharges in lieu of Tithe, and to Charges imposed by any Act heretofore made for the Drainage or Improvement of Land. Debentures  
mutilated or  
injured.

13. In case it shall be proved to the Satisfaction of the Court that any Debenture was destroyed or lost, it shall be lawful for the Court to sanction the Issue in its place of a Duplicate Debenture, marked as such, on such Terms and the Payment of such Fees as the Court may consider just; but without Prejudice to the Rights of any Holder of the original Debenture, by whom it may afterwards be actually produced. Such Duplicate Debenture shall be transferable by Entry only in the Books of the Court.

Debentures  
destroyed or  
lost.

14. Every Debenture shall be deemed a Sum of Money charged upon Land within the Meaning of Sections Forty and Forty-two of the Act of the Third and Fourth Years of the Reign of King William the Fourth, Chapter Twenty-seven, intituled *An Act for the Limitation of Actions and Suits relating to Real Property, and for simplifying the Remedies for trying the Rights thereof*, and shall be subject to the Periods of Limitation prescribed by those Sections as to Principal and Interest respectively.

Personal or  
Real Estate.

16. be a Charge by  
way of Mort-  
gage.

17. On the Application of the Owner of the Land charged with any Debenture, and on being satisfied by Affidavit or otherwise that the Principal Money has remained unpaid for Thirty Days by reason of Failure on the Part of the Debenture Holder to receive Payment, or that there is other proper Ground for the Application, the Court may, if and on such Terms as it shall think fit, order that the Applicant be at liberty, within Seven Days or such other Time as it shall consider reasonable, to pay the Principal due and the Interest up to the Date of such Payment into the Bank of Ireland, to the Account of such Matter as the Court may direct, with the Name of the Owner of the Land, but in trust to attend the Orders of the Court.

Provision as to  
the Payment of  
Money into  
Court.

The Payment of the Money into Bank pursuant to such Order shall, as regards the Owner of the Land, be deemed a Payment by him to the Holder of the Debenture.

18. The Land charged, or the Owner thereof, shall not be affected by any Trust affecting a Debenture, or by any Notice whatever of such Trust; but the Party entitled to the Benefit

Benefit of such Trust may nevertheless proceed to establish the same as against the Holder of the Debenture.

When Interest due, Application may be made for Sale.

19. The Owner of any Debenture to whom any Interest shall remain due for the Term of One Month after the Time appointed for the Payment thereof shall be at liberty to apply to the Court for a Sale of the Land charged with such Debenture.

Option to be paid out of Sale.

20. The Court shall thereupon give to the Holder of every Debenture the Option either to have the Sum due for Principal and Interest on his Debenture paid out of the Proceeds of the Sale, according to the Priority of his Demand, or to have the Interest only paid, and to permit the Principal to remain a Charge on the unsold Lands until the Time appointed by the Debenture for Payment of the Principal.

Indemnity to Trustees as to Option.

21. If the Owner of any over-due Debenture shall be a Trustee, he shall not be deemed guilty of a Breach of Trust, nor be accountable for the Manner in which he may exercise such Option.

When Debenture due, Application may be made for Sale.

22. The Owner of any Debenture which shall remain unpaid at the Time appointed by such Debenture for Payment of the Principal thereof may apply to the Court for a Sale of the Land charged therewith.

On Consent, new Debenture may be issued.

23. In case the Owner of any Debenture, and the Owner of the Land charged therewith, shall so consent, it shall be lawful for the Court to sanction the Issue of a new Debenture in place of such over-due Debenture, which new Debenture shall bear such Interest and shall be payable at such Time as shall be therein expressed.

Indemnity to Trustees as to Consent.

24. If the Owner of any over-due Debenture shall be a Trustee, he shall not be deemed guilty of a Breach of Trust by reason of his giving or withholding his Consent to the Acceptance of such new Debenture.

Owner of over-due Debenture may be paid off.

25. In case the Owner of any over-due Debenture shall refuse to accept a new Debenture in lieu thereof, the Owner of the Land charged therewith may pay off the same, and apply to the Court to sanction the Issue of a new Debenture in lieu thereof.

In certain Cases Court may appoint Guardian.

26. If the Owner of any Land shall be under any Disability, the Court may appoint a Guardian *ad litem* for such Owner; and the Consent and Directions of such Guardian shall have the same Effect as if the Owner had been under no Disability, and had given such Consent or Directions.

Court may dismiss Proceedings.

27. The Court shall have Authority to dismiss any Proceeding upon Payment of Interest and Costs, or on such further or other Terms as it may deem equitable.

Debenture Holder to have no Claim on Court, &c.

Stamp Duties.

29. Within the Meaning of the several Acts in force relating to Stamps, a Certificate under this Act shall be deemed to be a Deed not specifically charged nor expressly exempted. A Debenture shall be deemed to be a Mortgage made as a Security for the Amount of the Principal Money thereby secured, and a Transfer of a Debenture shall be deemed to be a Transfer of a Mortgage.

Provided that no Debenture shall be transferred by means of a Memorandum in the Books of the Court until it shall have been stamped with the Amount of Stamp Duty applicable in the Case of Mortgages given by Public Companies, as mentioned in the Fourteenth Section of the Act of the Sixteenth and Seventeenth Years of the Reign of Her present Majesty, Chapter Fifty-nine.

Court may frame Forms and Rules.

The Court may frame and promulgate all such Forms, Rules, and Directions as it shall consider requisite or expedient for the Assistance and Guidance of Persons acting under this Act; for annulling Certificates; for regulating the Transfer of Debentures; for calling in or cancelling Debentures, and for the Issue of others, in case of Forgery, Abstraction, Destruction, Defacement, or other like Inconvenience; for the giving of Notices; and

and generally for facilitating or regulating the Course of Procedure, or giving effect to the Purposes and Provisions of this Act.

- 4.—The five Local Acts respectively are by this Order repealed, save only the sections and provisions thereof following, so far as the same respectively are now in force, that is to say, the sections and provisions of the five Local Acts respectively relating to Magdalen Bridge and the Mileways, and the Tolls to be demanded and taken in respect of the same, and the Mortgages of the Tolls, and the rights and remedies of the Mortgagees thereof, and relating to the Markets, and relating to Gas works and the supply of Gas, and relating to all matters incidental to those matters respectively.
- 5.—The sections and provisions of the five Local Acts respectively which are so saved (except the sections and provisions thereof relating to the Markets) shall, so far as the same respectively are now in force, apply not to the Commissioners but to the Local Board instead of the Commissioners, and shall be read and have effect as if wherever in those sections respectively the Commissioners are named or referred to the Local Board instead of the Commissioners were named or referred to.

- 11.—The accounts of the Commissioners with respect to the several purposes of the five Local Acts respectively, other than the purposes thereof with respect to the Markets, shall forthwith be made up and stated and audited; and if the accounts show a balance in the hands of the Commissioners, then the amount of the balance shall thereupon be paid by them to the Local Board, or if the accounts show that the debts and liabilities of the Commissioners are not fully paid or discharged, then the lawful debts and liabilities of the Commissioners remaining unpaid or undischarged shall be paid or discharged by the Local Board.
- 12.—Provided that this Order shall not give to the Mortgagees of the Tolls to be demanded and taken in respect of Magdalen Bridge and the Mileways any security, right, or remedy in excess of the securities, rights, and remedies which they would have if this Order were not confirmed, and shall not relieve the Parishes of Cowley, Iffley, and St. Clement, or either of them, nor any person or persons, body or bodies politic or corporate, from any liability with respect to the repair of the Mileways or Magdalen Bridge, and shall not impose on the Local Board any liability with respect to the repair of Magdalen Bridge and the Mileways to which the Commissioners would not be subject if this Order were not confirmed.
- 13.—If any Rates duly assessed under the provisions of the said five Local Acts shall not have been collected at the time that this Order shall begin and have effect, as first herein-before mentioned, the Local Board shall have all the powers for the recovery of the said uncollected Rates which were heretofore possessed by the said Commissioners, and the monies which shall be collected or recovered shall be applied by the Local Board for their general purposes as if they had been part of a General District Rate.

- 15.—The Local Board from time to time, if and when they think fit, may, within the district, cleanse any parts of the Rivers Cherwell and Thames or Isis respectively, and of the streams running into those rivers respectively, and may prevent or remove any encroachments on any of those rivers and streams respectively, and may convert any parts of any of those streams into which any sewer or drain is from time to time emptied into a covered sewer, and may do and execute all works and things which the Local Board shall think requisite for or incidental to any of those purposes.
- 16.—Where the Local Board shall so convert any part of any of those streams into a covered sewer, the arch or other covering over the same, and all works executed by them for the purpose of covering over the same and incidental thereto, shall be by this Order vested in the Local Board.
- 17.—Except as regards any sewer or drain which now is lawfully emptied into any of those rivers and streams before mentioned, the Local Board may prevent the emptying of any sewer or drain into any of those rivers and streams, and may do and execute all works and things which they shall think requisite in such case.
- 18.—Where any present or future sewer of the Local Board is within 100 feet from any sewer or drain which now is lawfully emptied into any of those rivers and streams respectively, the Local Board may divert the sewer or drain so that it shall thenceforth be emptied into the sewer instead of into such river or stream, and may do and execute all works and things which they think requisite in such case; but the Local Board shall not so divert any sewer or drain without providing for it a proper and sufficient outfall into their own sewer.
- 19.—All properties whatsoever within the District which are or hereafter may be assessable to any Rate for the Relief of the Poor shall be assessable to the General District Rates to be made and levied by the Local Board, in the same manner in all respects as is provided by Section 55 of the "Local Government Act, 1858," and all exemptions from Rates heretofore allowed under any or either of the five Local Acts shall henceforth cease.
- 20.—The several powers by this Order conferred on the Local Board shall be in addition to and not in any respect restrictive of their other powers.
- 21.—Except only as is by this Order expressly provided, nothing in this Order shall take away, lessen, prejudice, alter, or affect any privilege or right whatsoever of the University, or of any of the Magistrates, Officers, Ministers, or Servants thereunto belonging, or any privilege or right whatsoever of the City, or of any of the Magistrates or Servants thereunto belonging, or any exercise of any such respective privilege or right.

‘ And whereas for the Purposes of the Application for this Act there have been deposited with the Clerk of the Peace for the County of *Suffolk* and with the Clerk of the Peace for the County of *Essex* Plans and Sections of the proposed new Works, and Plans showing Lands and Houses intended to be taken for the Purposes of this Act, together with a Book of Reference to those Plans (which Plans, Sections, and Book of Reference respectively are in this Act referred to as the deposited Plans, Sections, and Book of Reference):’

May it therefore please Your Majesty that it may be enacted ; and be it enacted by the Queen’s most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, as follows :

## Short Titles.

1. This Act may be cited as The *Harwich Harbour* Act, 1865 ; and this Act and The *Harwich Harbour* Acts, 1863 and 1864, may be cited together as The *Harwich Harbour* Acts, and are comprised in that Expression when hereafter used in this Act.

## Construction of Act.

2. This Act shall be read and have Effect as One Act with The *Harwich Harbour* Acts, 1863 and 1864, and the Purposes of this Act shall be deemed to be comprised in the Purposes of those Acts ; and all Enactments incorporated with The *Harwich Harbour* Act, 1863, shall be deemed incorporated with this Act ; and Terms used in this Act have the same Meanings as in The *Harwich Harbour* Act, 1863.

## Interpretation of Terms.

3. In this Act—

The Terms “ High-water Mark ” and “ Low-water Mark ” mean those Marks respectively at ordinary Spring Tides :

The Term “ the Harbour ” means *Harwich Harbour*.

## Election to be according to this Act.

4. Notwithstanding anything in The *Harwich Harbour* Act, 1863, or in any Act there-with incorporated, the Provisions of this Act shall have Effect with respect to the Conservator elected by the Owners and Occupiers of Lands in the Parishes of *Mistley* and *Manningtree* (hereafter in this Act referred to as the Elective Conservator) ; and the following Sections of The Commissioners Clauses Act, 1847, (incorporated with The *Harwich Harbour* Act, 1863,) shall not have Effect with respect to that Conservator, namely, Sections Seventeen, Twenty to Twenty-three, and Twenty-five to Thirty-three (all inclusive).

## Time for annual Election.

6. For the Purposes of every such Election a Meeting of the Persons entitled to vote thereat shall be held on the First *Thursday* in *August* in each Year, at such Place, within One of the Parishes of *Mistley* and *Manningtree*, as the Conservancy Board from Time to Time

Amendment  
of Provisions  
relating to  
fixed Engines.

**39.** "Fixed Engine" shall in this Act and the Salmon Fishery Act, 1861, include any Net or other Implement for taking Fish fixed to the Soil, or made stationary in any other Way, not being a Fishing Weir or Fishing Mill Dam: 'And whereas by the Eleventh Section of the Salmon Fishery Act, 1861, it is provided that the said Section shall not affect any ancient Right or Mode of fishing as exercised at the Time of the passing of the Act by virtue of any Grant or Charter or immemorial Usage:' Be it enacted, That the said Provisions shall extend to exempt from the said Eleventh Section such fixed Engines only as were in use for catching Salmon during the Open Season of One thousand eight hundred and sixty-one, in pursuance of an ancient Right or Mode of fishing as lawfully exercised during such Open Season, by virtue of any Grant or Charter or immemorial Usage, which last-mentioned fixed Engines are herein-after referred to as privileged fixed Engines. But inasmuch as in certain Cases fixed Engines in use during the Four Years previous to 1861, or One of such Years, may from temporary Causes have been out of use during the Year 1861, and it is expedient to provide for such Cases, it is hereby declared, that if it is proved to the Satisfaction of the Special Commissioners appointed under this Act that any fixed Engine not in use during the Open Season of 1861 was in use during One of the said Four Years, Proof of its User during One of such Four Years may be substituted for Proof of its User during the Open Season of 1861; so, nevertheless, that no Person shall by proving the Use of different fixed Engines during the said Years be allowed to be entitled to a Number of privileged Engines exceeding the greatest Number of such Engines in use by him during some One of the Years 1857, 1858, 1859, 1860, 1861.

Commissioners  
to inquire as  
to fixed En-

**40.** Subject to such Appeal as is herein-after mentioned, the Special Commissioners appointed under this Act, herein-after referred to as the Commissioners, may inquire into the Legality of all fixed Engines erected or used for catching Salmon within the Limits of the Salmon Fishery Acts, 1861 and 1865, and abate and remove all such as are not proved to their Satisfaction to be privileged.

Certificate as  
to privileged  
Engines.

**41.** Where a Claim is made by any Person on behalf of a fixed Engine that it is privileged, the Commissioners shall, on Proof being given to their Satisfaction that such Engine is privileged, certify to that Effect, stating in the Certificate the Situation, Size, and Description of the Engine. A Certificate given in pursuance of this Section shall be deemed to be an Order of the Commissioners, and to be subject to Appeal as such. If unappealed from, or as confirmed or amended on Appeal, such Certificate shall be conclusive Evidence that the Engine is a privileged Engine within the Meaning of the Salmon Fishery Acts, 1861 and 1865, but the Certificate shall not render any Engine legal that would be otherwise illegal by reason of its being injurious to Navigation.

Commissioners  
to inquire as  
to Fishing  
Weirs.

**42.** Subject to such Appeal as is herein-after mentioned, the Commissioners may inquire into the Legality of all Fishing Weirs and Fishing Mill Dams throughout the Limits of the Salmon Fishery Acts, 1861 and 1865, and shall remove such Fishing Weirs, and cause to be rendered incapable of catching Fish such Fishing Mill Dams as are in contravention of the Salmon Fishery Act, 1861; provided that where a Fishing Weir is illegal only by reason of its not having a Free Gap as required by Law, or a Fishing Mill Dam is illegal only by reason of its not having a Fishing Pass attached thereto as required by Law, this Section shall not empower the Commissioners to remove such Fishing Weir if an Undertaking be entered into, to the Satisfaction of the Commissioners, by the Owner or other Person interested in such Weir, to make a legal Free Gap therein within a reasonable Time to be prescribed by the Commissioners, and a Free Gap is made accordingly, or to cause to be rendered incapable of catching Fish such Fishing Mill Dam if a like Undertaking be entered into to attach a Fish Pass thereto, as required by Law, within a reasonable Time to be prescribed by the Commissioners, and such Fish Pass be attached accordingly.

**43.** The

The Advertisement in the said Newspapers shall be inserted at least Twenty-eight Days before the Time at which any Court mentioned therein is appointed to be held. The Commissioners may alter any Place or Time mentioned in such Advertisements, on giving Notice of such Alteration in such Manner as the Commissioners may think best calculated to insure to the Parties interested Knowledge of such Alteration. The above-mentioned Advertisement shall be in the Form marked A. in the Second Schedule hereto, or as near thereto as Circumstances admit. In addition to the foregoing Advertisements, the Commissioners, at least Fourteen clear Days before entering upon an Inquiry as to the Legality of any Fishing Weir, Fishing Milldam, or fixed Engine, shall serve a Notice on the Owner or One of the Owners of such Fishing Weir, Fishing Milldam, or fixed Engine to appear before them at a Place and Time mentioned in such Notice.

Service of a Notice under this Section may be made either by delivering the Notice personally to such Owner, or leaving it at or sending it by Post in a registered Letter to his last known Place of Abode, or, if the Owner cannot be ascertained after due Inquiry, by posting a Copy of the Notice on the Fishing Weir, Fishing Milldam, or fixed Engine that forms the Subject of the Inquiry.

The Notice shall be in the Form marked B. in the Second Schedule hereto, or as near thereto as Circumstances admit, and may be addressed as appears in the said Schedule, and need not contain the Name of any Person.

Any Person obstructing or refusing Access to any Officer of the Commissioners who may be desirous of posting any Notice in pursuance of this Section on a Fishing Weir, Fishing Milldam, or fixed Engine shall be liable to a Penalty not exceeding Five Pounds for each Offence, and any Person defacing, destroying, or removing any such Notice shall be liable to a Penalty not exceeding Forty Shillings; and a Notice shall be deemed to have been duly posted where the non-posting thereof has been occasioned by some Person obstructing or refusing Access to the Officer about to post the same.

The Production of a Copy of a Newspaper containing any Advertisement required by this Act shall, for the Purposes of this Act, be Evidence of such Advertisement having been given at the Time at which the Newspaper bears Date.

44. On the Appearance of the Owner or other Persons for or against any Fishing Weir, Fishing Milldam, or fixed Engine, and after hearing what, if anything, is alleged by him or them, or on his or their Behalf, or in the Absence of any such Persons, if they or any of them do not appear, and the Commissioners are satisfied by Evidence on Oath that the Notices required by the Act have been given, the Commissioners shall decide as to the Legality or Illegality of the Fishing Weir, Fishing Milldam, or fixed Engine, and in the event of their Decision being in favour of its Illegality they may, by Warrant under their Hands, order the Owner to remove a Fishing Weir, or render incapable of catching Fish a Fishing Milldam, where the Law requires such Fishing Weir or fixed Engine to be removed, or such Fishing Milldam to be rendered incapable of catching Fish, to the Satisfaction of the Commissioners, within a reasonable Time to be prescribed in the Order, not being less than Three Months; and in case the Owner fails to comply with the Directions of the Order, then the Commissioners may, by Warrant under their Hands, authorize any Constable or other Person, at the Expense of the Owner, to carry their Order into effect. The Commissioners may sell any fixed Engine, or any Materials belonging to any Fishing Weir or Fishing Milldam, that are removed in pursuance of this Act, and apply the Proceeds of the Sale in defraying any Costs, Charges, and Expenses incident to carrying their Hearing as  
to Legality

Provided that if it is proved to the Satisfaction of the Commissioners that any Posts or other Materials belonging to an illegal Fishing Weir or fixed Engine ordered to be removed may be capable of being used by any Person as Evidence of Title to any Foreshore or other Land, the Commissioners shall, instead of ordering the entire Removal of such Posts or Materials, require the Fishing Weir or fixed Engine to be destroyed so far only as they may in their Discretion think necessary in order to prevent its being used for Fishing Purposes.
